Four Elements Landsc When we approach your project we consider the Elements of nature with the four seasons and how they compliment each other in reference to your specific environment. Take a look at our gallery section and see how we've applied our understanding of the Four Elements into all of our projects. The Four Basic Design Principles - NDSU The Four Basic Design Principles: _____ Contrast: You want to avoid elements on the page that are similar. If you choose to make things like type, color, size, line thickness, shapes, space, etc. not the same, you should make them very different. Contrast is often the most important aspect of design since it is what makes.
